**Notes**

ROE #12 continues to offer a wide range of services in a most cost-efficient manner. In the "Management's Discussion and Analysis for the Year Ended June 30, 2011" report summarizing the FY11 audit, Kemper CPA Group (on behalf of the Illinois Auditor General's Office) reports that...

"The Office's Governmental Funds reported combined fund balances of \$1,630,663 in FY11 and \$1,073,501 in FY10. The primary reason for the increase in combined fund balances in FY11 was due to the Regional Office's efforts to keep costs down. The Regional Office has tried to keep purchased services and salaries and benefits as low as possible while still providing necessary services to the public."
