TeamQuest Competition Results

The 2013 TeamQuest competitions were held at the Central Christian Church in Lawrenceville with 48 teams and over 190 students participating. Monte Newlin, Regional Superintendent, sponsored the competition for students in the five county ROE #12 region. Students worked together in groups to demonstrate their ability to solve real life problems that require imagination, creative thinking, and engineering skills in science, math, language arts and music. Congratulations to all those who participated!
