*This course takes an in-depth look at the book *Fostering Resilient Learners* by Kristin Souers with Pete Hall. The authors explore the urgent and growing issue of childhood trauma and its profound effect on learning and teaching. Participants will be able to cultivate a trauma-sensitive learning environment for students across all content areas, grade levels, and educational settings. The proven and reliable strategies discussed will help you build relationships that allow students to grow, thrive and learn at high levels. This course will be completely online.*
