

ROE 12 Conducts Annual Learning Olympiad Events for Local Schools

Regional Superintendent of Schools Monte Newlin recently announced the results of their annual Learning Olympiad. The Olympiad is a friendly, structured competition providing an academic atmosphere filled with creative thinking and problem solving exercises. With an array of hands-on activities, questions, and challenges across the curriculum of Math, Science, Social Studies, Language Arts, and the Arts, school teams of 4 students each compete against other schools' teams. Each school may enter up to two teams. This year's event was held on November 3rd. Central Christian Church in Lawrenceville again served as the venue for the event.
