

Regional Superintendent of Schools Monte Newlin is proud to announce the results of the recent ROE 12 Brain Games competitions held at Central Christian Church in Lawrence, December 5th-8th. Brain Games is a friendly competition that provides a structured academic atmosphere filled with creative thinking and problem solving exercises. Student teams navigate an array of hands-on activities, questions, and challenges across the curriculum of Math, Science, Social Studies, Language Arts, and the Arts. Teams of 4 students compete against other schools' teams. Winning teams at each level advance to the Southern Illinois Brain Games competition later this spring. Each school in the five-county region is permitted to enter up to two teams.
