

Regional Office of Education #12

PRESENTS

# GOOGLE'S SECRET GEMS

**NOVEMBER 7TH**

**8:30 AM - 11:30 AM**

**ADMISSION \$35**

**ONLY ON ZOOM**

What if I told you that beyond Docs and Slides lies an entire Googleverse of lesser-known tools? Did you know these tools can infuse creativity and collaboration into your classroom with minimal planning? In this session, we will uncover less commonly known Google tools that help students connect and the world outside your classroom. We'll also visit Experiments with Google to demonstrate cutting-edge applications of A.I. and multimedia to enrich your classroom with creative experiences. Finally, we'll explore libraries of ready-made self-paced lessons you can assign your students tomorrow! Discover the secrets the cool kids already know by discovering the "Gems" of Google for Education tools!
