New Mindset New Results

Are you ready to put the fun and passion back in your teaching?
Do you dream about increased student engagement and more effective
classroom management? How about leaving campus at a reasonable hour
without dragging a shopping cart of grading and lesson planning in tow?

If you answered "Yes!" to any of these questions then this book is for you!

Based on current research in positive psychology and more than 15 years "real world" experience in the classroom, this book provides simple and practical strategies that you can start using today to find more joy in your teaching day and in your life."

- Eliminate teacher overwhelm and stress
- Leave school every day energized and fulfilled
- Connect with students in a way that turns any group of kids into a "dream class"
- Rediscover the passion and excitement that made you want to become a teacher
