

# DISCOVERING THE POWER OF PHONEMIC AWARENESS AND SOUND WALLS

Discover the power of phonemic awareness and sound walls in this webinar, led by linguist Dr. Ethan Lynn!

In our time together, we will...

- 1) Better understand the impact of phonemic awareness on reading proficiency.
- 2) Gain practical insights into using sound walls.
- 3) Discover a selection of relevant teaching resources.

Join us on December 12!

12-12:45pm CST

2:30-3:15pm CST

## Ethan Lynn, Ph.D

Dr. Ethan Lynn is an education consultant who lives in Illinois. He has several years of experience as a teacher, administrator, and researcher of literacy. Currently, Ethan is a national presenter and consultant on the science of reading. He is passionate about his orchard and family of three young kids--and most of all sharing the gift of literacy with all educators and students.
