Creating the Write Path Strategies for Supporting Emergent Writers

10/24/24
8:00 AM - 11:00 AM

ROE 12
407 S. Whittle Ave.
Olney, Illinois 62450

Throughout this training session, educators will be equipped with essential strategies for fostering the growth and development of emergent writers in early childhood settings. Participants will explore evidence-based approaches to nurturing writing skills, from pre-writing activities to guided writing techniques. Through interactive discussions and practical examples, attendees will gain insights into building a supportive writing environment and scaffolding instruction to meet the diverse needs of young learners throughout multiple stages of writing development.
