

ROE 20 & 12 Technology Roundtables

Join us for an open discussion on the current state of technology in our schools. This networking meeting is designed for technology directors, instructional technology coaches, and anyone interested in the intersection of education and IT. We'll tackle challenges, share successes, and explore the evolving edtech landscape. Come brainstorm, ask questions, and connect with colleagues. Whether you're seeking solutions, want to stay ahead of trends, or need a supportive space, this meeting is for you!
