Meet Your Regional Ed
Tech Coordinator

Hi! I'm Emily Flach.

I am the LTC's Southern Regional Ed Tech Coordinator, and I am excited to partner with and support your district. With a background as both a technology director and a high school history teacher, I understand the unique needs of educators and the power of technology in the classroom.

My mission is to support your district's growth by delivering customized professional development, offering support and insights on digital learning and technology integration, and sharing resources and best practices. Don't hesitate to reach out with any questions!
