FACING NINE HIDDEN CHALLENGES OF THE MOST ANXIOUS POPULATION

Understand, mentor, and lead Generation Z more effectively

In *Generation Z Unfiltered*, Tim Elmore and Andrew McPeak offer practical strategies and research-backed insights aimed at equipping educators, parents, coaches, and mentors to rise to that challenge.

You will have at least a full week to read the assigned chapter(s), respond thoughtfully to the posted question(s), and comment meaningfully on at least one other participant's response. All questions are based on the reading. Your insights, experiences, and conversation will be essential to our learning journey.
