

## ONLINE BOOK STUDY

**JUNE 15 - AUGUST 9, 2026**

Facilitated by Roselene Quick – School Services Director – [rquick@roe12.org](mailto:rquick@roe12.org)

This book is full of crucial ideas and examples to promote thinking and serious reflection.

“The book outlines coherent and effective standards-based grading practices for a high-stakes, accountability-focused world.”

Online interaction via meaningful discussion posts will be the most important part of this study. As educators we are not built to be isolated. Together we improve and grow. This book study is recommended for administrators and teacher leaders!
